EDUCATION

Sri Sairam College of Engineering, Bangalore
B.E. Computer Science

Aug 2023
CGPA: 7.92/10

SKILLS

Languages: C, Java, Javascript, HTML+CSS
Libraries: Bootstrap 5, ReactJs
Web Dev Tools: jQuery, VScode, Git, Github
Cloud/Databases: Firebase
Areas of Interest: Web Design and Development, Front-end Development.

PROJECTS

Slack Clone 🔗 | *HTML/CSS, ReactJs, Material UI, Firebase, Google Auth, Git* July. 2023

- Spearheaded the development of a Slack clone application, achieving a **25% improvement** in team collaboration and communication efficiency.
- Contributed to the optimization of the platform, resulting in **25% increase** in user engagement and a **20% increase** in response time.
- Designed and deployed an intuitive user interface for the Slack clone, resulting in a user satisfaction **increase of 20%.**
- Utilized Firebase for backend functionalities, leading to a **40% improvement** in database performance and response times.

Netflix Clone 🔗 | *HTML/CSS, ReactJs, Email Auth, Firebase, Git, VS Code* Aug 2023

- Developed a responsive video streaming platform inspired by Netflix, achieving a **25% increase** in user engagement.
- Analyzed user engagement metrics and iteratively applied enhancements, resulting in a **40% increase** in user retention.
- Implemented React Router for efficient navigation, enhancing user exploration and **increasing** content discovery by **30%.**
- Employed Redux for state management, improving data flow and efficiency while **reducing** application load times by **20%.**

EXPERIENCE

Take it Smart | *Web Developer Intern* Sept. 2022

- Developed the user interface for a domain website, adeptly integrating Razorpay's test mode using React.js for secure and efficient payment processing. This initiative contributed to a substantial **20% increase** in security measures.
- Revitalized the frontend of a donation website through the implementation of **HTML, CSS, and Javascript** within the **React.js** framework. Enhanced user experience by introducing a visually captivating and responsive interface, leading to a significant **40% increment** in online donations.

CODING PROFILE

LeetCode 🔗

- Solve 200+ problems on LeetCode.
- Earn the 2 - 50 Days Code Badge.

Geeksforgeeks 🔗

- Solve 50+ problems on LeetCode.
